Dear Sir:

In response to your letter of April 5th, it gives me pleasure to enclose, herewith, an application card for membership in this Society, which I should be glad to have you fill out and return before our next Council meeting, April 16th, if you should care to have your name put up for membership. The dues are but five dollars annually and this would entitle you to our publications. We do not customarily issue Membership certificates.

Under separate cover, I am sending you a copy of our Proceedings which contains a list of the members of the Society. I trust this will meet your needs.

Very truly yours,

Enc.
